Happy National Teachers' Appreciation Week

Dear Staff,

I would like to take this opportunity to thank all of you for the dedication and commitment that you have made to the education of our students here in Phillipsburg. When you work in a district such as ours - an Abbott District - you realize that the motivation for your efforts arises from a calling - a deep personal commitment to the kids in our community. Over the past several years, we have faced important issues that could have inhibited our continuous improvement, however, we worked together as a team and forged forward. Without a doubt, we will face new challenges in the future, but together, we will be able to conquer them with confidence and determination.

On Wednesday and Thursday, morning refreshments will be provided across the district (specific sites each day) to honor all of you in recognition of your efforts. Additionally, a small token of appreciation will be provided to each staff member. Please accept these items from the Board of Education in recognition of your tireless work and efforts. Further, please understand how much you are appreciated. Have a great day.

Sincerely,

Gordon
